www.ranchotrackboosters.org

The Rancho Alamitos High School Track Boosters is a fundraising organization for the Rancho Alamitos High School track team. We are a new organization made up of parents, alumni and friends of the school. Our mission is to engage community support and fundraising in a time when public school funding is below where it once was.

We are hosting our first annual 5k run on April 20, 2013 at 9 AM. It will be located on the Rancho Alamitos campus. The race will be a fun opportunity for friends, family, and our neighbors to come together.

The Boosters are a registered 501(c)(3) non-profit organization. We are seeking tax-deductible donations, the chance to provide advertising, or merchandise to be included in goodie bags provided to the runners.

This is our first year and our first race. We look forward to building on the momentum in years to come.

Thank you for your consideration.

Sincerely,

Tom Guthrie
