Track business: We do not have a throws coach, Coach Pyle has put out several advertisements through the local JC's etc. Tom will put out a notice through Facebook to see if there is anyone interested.

Athletes/Participants: We will work getting more athletes from other sports to come over and train during the off season of their main sport. Tom will spearhead getting with more kids and following up with them.

5K:

Location proposed is the Forest shelter at Mile Square Park. The permits are \$400 for any event shelter in the park regardless and this includes the fees for most of the shelters. The largest and most centrally located shelter is the Forest Shelter this requires the \$400 permit fee and will cost an additional \$100 for a total of \$500. The other possible location is shelters 6 & 7 these are close to each other but the start/finish lines are not right at the shelters these shelters would be \$400 total

Lonnie makes a motion to vote on the Shelter to be used for the 2016 5k. By unanimous vote the Forest Shelter will be utilized.

Fund Raising

Crowdrise is the fundraising site previously decided on, Tom passed instructions that will go to the students as an example of how to set up their site.

Prizes will be awarded to the top fundraiser and there will be a drawing for all students that raise \$250 or more. Top Prize to be an Android Tablet

Donations and sponsors, Laura Baldwin of the Alumni Association is very good at fund raising and Renee and Tom will asked for her help on how to get prizes donated and more corporate sponsors.

Renee and Tom will ask the Alumni association about sponsorship at the RA3 meeting to be held 11/13

Shirts/Logo discussed the changing of the logo and the shirts, it was discussed and voted to leave the logo as it is for now, we will update the year and change the color of the shirts.
