Update on t jjjz frack condition:

TracRdfk repairs and upgrades to be built into the Measureuucs saw M School Modernization. This means:

- The folloyHuuwing work will be completed by a Contractor:tv
 - Track will be laser leveled
 - Forms for the long jump and triple will be poured (hopefully).
 - High jump area will be leveled (hopefully)
- The work is not expected to be completed until 2016
 - There is a slight chance that some of the work will be completed earlier.

It has been discussed that if this is put off by the district again the following steps will need to happen.

- Parents will be encouraged to contact the district directly about the neglect of the Rancho track and Field
- Contact will be made to the media newspapers, local news, anybody that will listen and help get this made right.

Equipment/Equipment Purchase

The hurdles have not been purchased to date. Latest bid comes in at \$3,818.45 the treasury holds \$3,880.86. The Board is not comfortable with using all but \$62.41 of available funds. It was voted and decided that we (Tom) would not use more than \$3,300 for the purchase of the Hurdles. Before the final order is placed an E-mail vote will be done for final approval.

Hurdle cart : Tom's son has purchased a welder that he is willing to let us use for the fabrication of the hurdle cart. We cannot begin fabrication of the cart until the hurdles are delivered.

5K Event update:

The 5K is still set at this time for 3/21 but it is not solid yet due to the relocation requirement

(See previous minutes regarding relocation due to Modernization project.)

The route has been submitted that snakes through the neighborhood adjoining Bolsa, it crosses streets 3 times but these are small streets early in the morning and traffic should not be a factor. This route has been submitted to the Garden Grove PD and we are waiting on approval. Additionally the use form has been submitted to district for the use of Bolsa.

Follow-up to unofficial conversation to spread the word about the 5K Tom will be having some cards made up with basic race information on them (once we have approvals). These cards will be useful to spread the word about the club and upcoming events.

We need to start working on sponsors now.

Parent meeting will be held earlier this year and we need more parent participation. During the season as well as the off season.

Let's get back on track to hold meeting the second Friday of the month next meeting to be held 12/12/14 6:30 on campus.
