See if we can get Coaches to cross promote track during their off season.

Track Update: Decomposed granite was dropped onto the track, as of the date of the meeting it still needed to be graded and some trenching work needs to be done.

5K Update:

Mandatory Athlete participation

We are looking at Crowd rise and Myevent.com to see which of the 2 are more cost effective for the services provided. Initial research is leaning to Crowdrise as they have a 97% to the charity program and has the capacity to have individual fund raising pages.

Date set for 3/19

We need to schedule this for Alternative location to rancho again this year due to the modernization. Most likely this will be Bolsa again.

We are looking into hurdle sponsorship still and how to do this and for how long tabled till next meeting.
